Proud Sponsor of your event through  
5.11 Association Program

All registrants will receive the appropriate course materials and information so that their respective agency head may submit these programs as qualifying for General Continuing Professional Training (CPT) credits.

# Training Session Highlights

1. **"Patron Saints of the Mexican Drug Underworld"**

**(General Session)**

This graphic & fascinating course taught by the nation's leading expert in this field will provide attendees with the latest information concerning Spiritual Icons & their relevance to Mexican Drug Traffickers. Attendees will learn how to recognize the various religious icons used by virtually all Mexican national drug traffickers, and understand their significance.

2. **"Carrying Weapons Undercover"**

**(General Session)**

Learn the importance of carrying weapons while working undercover and how to conceal virtually any firearm on your person. Chris Cerino of the History Channels hit show "Top Shot" will open your eyes to the latest and some time tested ways to be prepared for any armed encounter.

3. **"Characteristics of Armed Individuals"**

**(General Session)**

This block of instruction deals with the anomalous indicators of predictable human behavior that suspects will consistently exhibit while carrying concealed weapons on their person. This Behavior Pattern Recognition based presentation breaks down these behaviors into definable and articulable categories and arm Law Enforcement personnel with a more refined level of observation thereby enhancing Officer/Agent Safety. It also features statistical data and actual case studies supported by graphic videos and pictures.

4. **"Survival Spanish & Hispanic Culture"**

**(General Session)**

Every officer's guide to communicating with Hispanic populations and understanding cultural dynamics. In this course of training, the students will be better equipped to ask basic questions and search for drugs or weapons. The most critical aspect of this training will be danger phrases and terminology pertaining to weapons.
