# SITE SAFETY OFFICER: Marijuana Grow House

Presented by: **Network Environmental Systems®**

NES has utilized its many knowledgeable law enforcement instructors as well as international experts in marijuana grow houses to develop a Site Safety Officer (SSO) course that would better prepare law enforcement personnel to safely respond and dismantle indoor grow houses. The SSO Marijuana Grow House course will cover the grow house techniques and operations, the chemical and physical hazards (including, fertilizers, electricity, and mold), the personal protective equipment used during response and dismantle, as well as dismantling and disposal techniques. These topics will be reinforced with hands-on practical exercises. All participants will receive a copy of the Marijuana Field Guide (Green Book).
